Gary...

in association with SGL

I would like to extend a warm welcome to the players, supporters, directors and especially my ex team mate Neil Smillie the newly appointed Manager of Gillingham Football Club.

I am writing these notes on Tuesday after just saying goodbye to David Beckham who had to return to Manchester United. David has asked me to say thank you to all of our players and supporters for the wonderful reception that you gave him during his months stay at Deepdale. He said he would always be proud to have played for Preston North End in front of the fantastic supporters we have. He would have liked to have stayed longer but was called back to Manchester United to join the first team squad. (See picture below). Mr. Ferguson told me this morning that having monitored David's progress in every game he played for us that the time was right for him to play a part in their Championship fight. He felt David had gained a great deal from his month with us and improved his all round game so much that he is considering him for a possible place on the bench this Sunday. Also, most of his players are away on International duty this week so he doesn't know who will come back fit. I would like to thank Mr. Ferguson and David on your behalf for the very successful and enjoyable month he spent with us. Whilst I am thanking people I would like to mention the magnificent turnout of 2,000 PNEj supporters away at Lincoln. The reception they gave and the noise they made before, during and after that game was incredible. If the 10,000 supporters today could make 5 times the noise they made we would take the roof off the West Stand a month early and they will hear us in Manchester.

CARRY ON BEING THE BEST.

GARY.

MANY CONGRATULATIONS TO GARY PETERS ON RECEIVING THE ENDSLEIGH INSURANCE LEAGUE'S MANAGER OF THE MONTH AWARD FOR MARCH

FROM THE SECRETARY

with Audrey Shaw

It was good to see so many North End fans making the long journey to Exeter last week and I'm sure you will all agree that the three points made the trip worthwhile. Once again at Lincoln we had a tremendous following and the vocal support was fantastic.

The final stages of the season look as though they are going to be very exciting with a "play-off" place within our grasp. After today's game we will only have three home games and three away games left until the end of the season. Of the three away games we know that two of them will definitely be "All Ticket." Tickets for the game at Scarborough next Saturday have been on sale throughout this week to season ticket holders and any remaining tickets will go on general sale immediately after today's game.

The game at Rochdale on Easter Monday will again be "All Ticket" and we hope to be able to announce arrangements for the sale of these tickets either at today's game or early next week. This game will be a **3.00pm. kick-off.** The final game of the season at Scunthorpe on May 6th looks at this stage as though it will be once again "All Ticket", but a lot depends on the results over the next few weeks, which will of course determine the travelling support.

On Monday April 10th Preston North End are staging the A T S Final here at Deepdale, which this year will be between Morecambe and Bamber Bridge. I know that a lot of North End fans have an interest in Bamber Bridge and I am sure that they can count on your support. The game will kick-off at 7.30pm and for this game the Town End will be given over

to Bamber Bridge supporters and The Kop to Morecambe supporters, with seating available in the Pavillion Stand. Admission prices will be determined by the Lancashire Football Association and will be printed in the press in due course.

Secretary.

Our reserve team average crowd of 1,522 is higher than Boro's 1,502 average and although the crowd doesn't win the game, surely 90 minutes of support will play it's part.

AROUND DIVISION THREE

With Mike Payne

All true North End fans will know what I mean when I say that it has been yet another of our "if only" seasons so far. Our current form, now even including away games, has been second to none recently and if we had managed to pick up just a few of the points we lost in the first half of the season then we would even be challenging Carlisle at the top. But that is in the past and we must keep looking to the future and congratulate the team on their fine showings recently. They are certainly the form team of the division at the moment. A super 5 - 0 win against Bury, (what a brilliantly taken volley Mike Conroy's first goal was!), followed by a conclusive victory at Exeter and a 1 - 1 draw at Lincoln where we dominated the whole match. When we learn the knack of finishing teams off when so overwhelmingly on top then there will be no-one in the division to touch us. Things look good for Preston at the moment.

Meanwhile, you have to keep handing it to Carlisle and Chesterfield as they both march on relentlessly towards promotion. Last weekend they both had home victories with Carlisle once again winning by the odd goal, how often have they done that recently, against Scunthorpe this time, and Chesterfield beat struggling Hartlepool by 2 - 0. Tony Lormer, who has been scoring regularly in this

Nathan Peel

second half of the season, hit two again for the Derbyshire side. Another regular scorer, Kevin Wilson of Walsall, thought he had won the three points for his side at Northampton with his 82nd minute goal, but Northampton refused to give up and were rewarded when Ray Warburton made it 2 - 2 with just three minutes left. That takes Wilson on to 17 goals, not bad for a midfield player.

Bury and Mansfield shared four goals, Fulham beat Torquay 2 - 1 and Scarborough had the surprise win of the day when they won 2 - 0 at Colchester. They were all results that help North End's cause and we can thank Neil Trebble for scoring one of Scarborough's goals. But Doncaster kept up the pressure on those teams currently in the play-off places by winning 2 - 0 at Darlington with Wilcox and Brabin their scorers. Poor old Exeter have been going through a torrid time lately and their 3 - 0 defeat last week at today's visitors, Gillingham, has put them in serious trouble at the foot of the table. The name of Dougie Freedman has often featured in this column over the weeks and the Barnet striker has hit another rich vein of scoring in his last two games. A hat-trick against Hartlepool two weeks ago was followed by another goal in the 1 - 1 draw with Wigan last weekend. That takes him clear as the Third Division's leading goal scorer on 23 goals, one ahead of Carlisle's David Reeves and Steve Wilkinson of Mansfield.

Did you see the four transfers on deadline day that had North End connections? If not then here they are:- Graham Shaw went from Stoke to Rochdale, Ian Bogie was transferred for around £50,000 to Port Vale and there were two loan deals involving Nigel Jemson who joined Ron Atkinson at Coventry from Notts County and Nathan Peel who went from Burnley to Rotherham and promptly scored on his debut against Hull. One question, do we receive any part of Ian Bogie's fee I wonder? Other ex North Enders in the news recently were goalscorers Dave Thompson, twice for Rochdale, Julian James for Luton, Ronnie Jepson with two more penalties for Huddersfield and Farrell Kilbane who scored two goals for Stafford Rangers against Gateshead in the Conference. Two other pieces of news concerning our old players, Paul Heavey, a former reserve team player, scored his 18th goal of the season for Warrington last weekend and when my future son-in-law was running the line in an Hellenic League match at Cirencester recently he spotted a certain Mark Lawrenson playing for the home side.

HERE TODAY

BETWEEN THE STICKS

STEVE BANKS.....Steve joined Gillingham just prior to the start of last season on a free transfer from West Ham. He had previously impressed in a loan spell at the end of the 1992-93 season when he kept a clean sheet in six reserve team outings. The Hillingdon born keeper joined the Hammers from school and signed a full professional contract on completion of his apprenticeship. Steve, 23, has been in good form this season.

SCOTT BARRETT.....31 year old keeper who is in his third season with Gillingham. Derby born Scott's first taste of League football came with Wolverhampton Wanderers in the 1984-85 season after a spell with Ilkeston. From Wolves he went on to Stoke city in the late 1980's before lengthy loan spells with Colchester and Stockport. He accepted a permanent move to Colchester in the 1990-91 season and helped United win the Vauxhall Conference and F.A. Trophy in 1991-92. This season has seen Barrett compete with Steve Banks for the keeper's jersey.

LEADING FROM THE BACK

JOE DUNNE.....Dublin born Joe turned professional with the Gills in 1990 and has been part of the first team set-up since the outset of the 1990-91 season. A series of serious injury problems hampered his early League career, but last season he made the right back slot his own. Described as a player of tremendous passion and commitment, Joe, 21 has been capped by the Republic of Ireland at both youth and Under-21 level.

TONY BUTLER.....Stockport born centre-half who began his career as a trainee with Gillingham. He signed professional terms after the completion of his apprenticeship in 1991 and made an earlier than expected debut due to injury problems at the club. Over the last couple of seasons the 22 year old has developed into a first team regular and is described as being one of the outstanding prospects at the club.

RICHARD GREEN..... Wolverhampton born utility defender who started out at Shrewsbury as an apprentice. He made 125 appearances for the Town before moving to Swindon in October 1990. He was unable to command a first team place, however, and signed on loan for the Gills where he was to make club history when he became the first Gillingham defender to score twice on his debut against Cardiff in a 3 - 2 win. He moved to Priestfield on a full time contract in May 1992 after being released by Swindon and went on to win the Player of the Year the following season. Richard only missed a handful of matches last term and scored four goals.

Neil Smillie

ROBIN TROTT.....Robin has come through the youth ranks at the Priestfield Stadium and signed a professional contract with the Gills in May 1993. The 20 year old, who can play at either left fullback or centre half, made his League debut last season in the 0 - 2 defeat at Wigan in April. This campaign has seen the Orpington born defender appear regularly in the first team.

PAUL WATSON.....Another former Gillingham youth player who was awarded with a professional contract in December 1992. He made his League debut in the 1992-93 season and last term made 14 appearances in the senior team. This

Gary Micklewhite

campaign has seen the left fullback settle into the side and put in some good quality displays. Described as a youngster of enormous promise.

MEN IN THE MIDDLE

RICHARD CARPENTER.....The 22 year old is a former Gillingham trainee who broke through into the first team during the 1990-91 season, scoring on his debut. Richard, captain of the successful youth team of that season, won a regular midfield slot during 1992-93 and followed that with only missing a handful of matches last term. Born in Sheppey, he is described as a tough tackling midfielder with the ability to become a top class player.

NEIL SMITH.....Neil has been a regular in the first team since joining the Gills from Tottenham Hotspur in October 1991 for £40,000. Described as a player with a powerful engine, the 23 year old was signed to add bite to the centre of the park and has put in some consistent displays in his time at the Priestfield Stadium. Up to the end of last season, Neil had made over 100 League appearances for the club.

IN ATTACK

CHRIS PIKE.....Forward with about 250 League matches to his name, who joined the Gills from Hereford in September 1994 for £15,000. Chris started his professional footballing career at Fulham following a spell with Barry Town. He made 42 League appearances for Fulham before moving to his hometown club Cardiff after a short loan spell there. He was a regular in the Cardiff side over four seasons, making almost 200 appearances, scoring more than 90 goals for the club in all competitions. The 33 year old is Gillingham's leading scorer this season - his 13th strike coming versus Scunthorpe in the 2 - 2 draw a couple of weeks ago.

ANDY ARNOTT.....21 year old Andy was born in Chatham and joined Gillingham as a trainee. The promising young striker was signed on as a

ACTING MANAGER

NEIL SMILLIE.....Barnsley born winger who has had a long and successful career with several clubs. Neil began as an apprentice at Crystal Palace where he became a regular member of the first team. He then moved on to Brighton and then to the USA where he played for Memphis. On his return he signed for Watford and then Reading and Brentford. Neil became Mike Flanagan's first signing when he was appointed player coach in July and he has been responsible for the first team since the beginning of March when Flanagan was made redundant by the club's administrators.

GARY MICKLEWHITE.....Highly experienced winger who started out as an apprentice at Manchester United. Gary then moved down south to play for Queens Park Rangers as an 18 year old and over six and a half seasons with the club, he made over 100 League appearances. A transfer fee of £90,000 took him to the Baseball Ground in February 1985 and he became a regular member of the Derby County side (238 League games) until his move to Gillingham in July 1993.

ADRIAN FOSTER.....23 year old Adrian began his career with West Bromwich Albion as a trainee. In July 1992 the Kidderminster born striker made the move to Torquay on a free transfer. In his two seasons with the club he made 55 appearances and scored 24 goals. Adrian signed for Gillingham at the beginning of this season for a £60,000 fee and he has been Chris Pike's partner in recent weeks.

ELIOT MARTIN.....Joined the Gills on transfer deadline day from non-league Chelmsford City on a free. Immediately the twenty-two year old was thrust into first team action in Gillingham's 3 - 0 home win last week with Exeter City.

PLAYER PROFILE

By Martin Breen

RAYMOND SHARP

Born:- 16.11.69 - Stirling
Age:- 25
Height:- 5ft 11ins
Weight:- 12st 4lbs

Previous Club:- Dunfermline, joined as a 13 year old schoolboy. Turned pro at 16 years old.

Do you have any nicknames at the club?
"At Dunfermline, I was just known as Sharpy, for obvious reasons, but since coming here, Paul Raynor has been calling me "Bobby," after Bobby Charlton, because of my lack of hair!"

Do you think you made the right decision in giving the English game a try?
"Yes, definitely. I noticed a few differences between this level and the Scottish First Division. The game down here is a lot more physical than I was used to and I think it took me a wee while to get myself into shape. I thought I was fit up in Scotland, but when I came here, all the lads were much fitter than me and it was very hard work. Perhaps it's just because I signed for Preston that the difference was so noticeable, because the training here is so very thorough."

When you made your North End debut, we were into that torrid run of 7 straight defeats. How did you view the situation then and how do you view it now?
"I made my debut away at Hartlepool and things weren't much fun then. I knew the team wasn't doing to well and I was just getting used to the lads and that bad run didn't help me settle in. But once the lads found their form again, things became much easier. Everybody relaxed, confidence returned and anybody who comes here now will be the first to admit that it's difficult to beat us. I think the crowd getting behind us is a big part of that. The situation here now is brilliant. For me, one of the most promising things during that bad run was the way the fans stuck behind us, even when we were losing. Very rarely do you see that and it's a big help."

With that in mind, what did you make of the Blackpool game in November?
"It was scary! I've seen some big crowds in Scotland and the likes of David Moyes and Ian Bryson have played in front of big crowds of maybe 40,000, but the noise on that night matched it. On the pitch, we couldn't speak to each other for the noise. We were all really pumped up for that game and after seeing the fans, we knew we had to win it. There was no thought of anything else, we just had to get the win. I watched the video of the SKY coverage and that was when the whole thing really sunk in. That was an amazing night - but brilliant!"

Graham Lancashire told the story of you throwing something at John Vaughan while he was eating a pie, after which he threw your stuff in the bath. What is your version of events?
"It was accidental. I was having a wee game of head tennis and I kicked the ball which hit him just as he was walking through the door. I thought at the time he was the wrong guy to do it to! Of all the lads it had to be him! John didn't say anything, he just walked away and threw my clothes in the bath, so I said as long as he could take a joke it was OK!"

David Moyes thinks you've got a dodgy hair cut. What do you think?
"There can't be anything dodgy about it , because there's no hair there! But look at Moyesy! I mean, I'd rather have no hair than ginger hair!"

I understand you've represented Scotland at U-21 level. What are your memories of that?
"It was brilliant and it came as something of a surprise. Things were really going well for us at Dunfermline in the Scottish Premier. I'd just turned 20 and I got a call up. It was good to be with all the first team pros that you see in magazines and collect stickers of. It was a bit nerve-wracking, but it was a great experience for me."

When did you first become aware of Preston's interest in you and what were your feelings at the time?
"It was about 10 months ago. The Dunfermline manager told me there was a bit of interest but no firm offer, so I just got on with my football. I saw a few articles in the local paper about me as well, but I just decided that it was best to ignore it, because it could have just been speculation. Obviously I was keen to come, because this is a big club, so as soon as something concrete came through, I rang David Moyes for a chat. He told me to come down and have a look around, so I could see what a big club it is. I came to watch the game against Lincoln City here last season and I couldn't believe the crowd. There were people with drums and trumpets and flags and I thought it was absolutely excellent. It didn't matter at all what division the club was in, this club is already big and it's going to be massive. I want to be here when it does."

For a full back you seem to like getting forward quite a lot and taking the odd shot. Is this a natural part of your game, or something you are encouraged to do by the management?
"It's definitely something I'm encouraged to do here. Gary Peters and Moyesy tell me to get forward when I can. I like going forward. I know that with Kevin Magee in front of me, who will turn and attack, I need to push forward to help him out if he gets into trouble. That is easier to do here because I don't have to cover the centre backs as much as I did at Dunfermline, which I didn't like. At Dunfermline, I eventually got to the stage of, "sit back, cover, do this, do that" and I never got forward as often. So when I came here, I improved my fitness and then the management told me to overlap the wingers if the time was right and to have a shot if I got the chance."

How do you feel when you see your shot sailing over the Town End roof?
"I just feel gutted! You see the ball sit up for you, you have a go and it doesn't work and you get a bit annoyed, but you just have to get your head back up and get on with it. Nine times out of ten, my shots go over the bar, but you have to try if a chance comes your way, just in case your luck changes. I only scored twice for Dunfermline, both long range shots. One was OK, but the other was crazy! The ball bounced in front of me around the half way line and I just hit it and it flew in. Complete luck!"

If North End hadn't signed you, would you have been content to stay in Scotland, or would you still have liked to further your career south of the border?
"I've always wanted to play professional football in England. I gave Scottish football a good go and I needed a change. If I'd had the chance earlier than I did, I would have moved on, just for new ambitions. One ambition was to play in England. Quite rightly, everyone wants to play in a higher League, but I think Preston are capable of doing that."

When you look at the Scottish First Division and see Dunfermline on the fringe of the Premier Division, do you have any regrets about leaving?
"No, not at all. As soon as I heard Preston had made an offer for me, I went to the manager there and said I wanted to come, without even thinking about it really! I wasn't interested in money or anything like that, but I'd looked at Preston and wanted to come. I felt I needed a change. I'd stopped learning at Dunfermline, but now I feel I'm learning again. It's like starting afresh which I needed."

Finally Ray is there anything you'd like to say to the fans?
"I'd like to to ask them to keep up their brilliant support. I don't think they actually realise how much they lift the players. At some clubs, fans give their players a real shouting at, after five minutes, but you never get that here. It's good to know they are behind you for a full 90 minutes and their help is invaluable."

BYGONE DAYS

with Mike Payne

It was April 3rd 1990 when we played the corresponding game five years ago and it was for a trip across the Pennines to Huddersfield. It had been five games since we had tasted victory so the 2 - 0 win against the Yorkshiremen came as a welcome tonic to the Preston fans amongst the 4,381 present.
First half goals by Warren Joyce and Ian Bogie set up the win but a really battling team performance deservedly gave us the points. To win an away game is always satisfying, but to win one in Yorkshire is even better! Our visitors today, Gillingham, actually played on the 31st of March that year but unfortunately they lost 2 - 0 at Chesterfield for whom Andy Morris and Sean Dyche scored the goals.

According to the 1985-86 Rothman's Annual the corresponding match for ten years ago saw Preston 2 - 0 down to Walsall at half-time, but winning in the end by....1 - 0? I can assure you that we did win the match at Deepdale by a single goal, so where Mr. Rothman's got his two Walsall goals from I don't know! Our matchwinner at Deepdale that day was Peter Houghton who scored with a header following a free-kick by Mike Farrely in the 75th minute. To quote the Evening Post's report, "The sigh of relief from the crowd could be heard in Fishergate!" Man of the match was central defender Bob Atkins who had an outstanding game. On April 2nd 1985 Gillingham were playing at the Abbey Stadium, Cambridge and they began a sequence of won, lost, won, lost with a 2 - 1 win against United. Dave Mehmet and Martin Robinson scored their goals and they kept in the promotion frame with an important victory.

It was another April Fools day match in 1975 for Preston and twenty years ago today we were being held to a 1 - 1 draw here by Peterborough United. It was a case of Tricky Ricky as a new 18 year old starlet, Ricky Thompson stole the show on his home debut. His brilliant play down the right forced a sixth minute corner and from that John Bird swept home the North End goal. Although Preston had much of the play after that goal a nasty injury to John McMahon upset their rhythm and it came as no real surprise when the Posh equalised with just five minutes to go through Chris Turner.
Gillingham had played the day before and they surrendered a 2 - 0 lead at home to Plymouth. Dave Shipperley and that wonderful Gillingham stalwart, Brian Yeo had scored first-half goals but a fightback by Argyle saw Mike Green and Bill Rafferty give them a point.

COMMUNITY NOTES

Hello again,

The Community Office had the pleasure of playing hosts to sixteen children from the Chernobyl region in Russia. The children aged between 9 - 11, were in the country for three weeks. Accompanied by two interpreters and two teachers, they stayed at an outdoor pursuit centre near Kendal. They spent the day at Deepdale for the match versus Fulham and were taken on a full tour of the ground, where they met the first team squad and club Directors. An enjoyable day was had by all and the party left the area with fond memories of Preston North End.

FAMILY FUN NIGHT - TEA TIME CLUB.

The next tea-time club is on Monday 3rd April when PNE entertain Burnley. The club itself commences at 4.30pm at a cost of £3.00 to Young North Enders and £3.50 to non-members. Included in the cost is football coaching and competitions organised by the Community Office staff. After ninety minutes of football tuition the children make their way to one of the function rooms at Deepdale where a buffet meal is prepared for them. The prizes for various competitions are usually presented by members of the PNE first team squad. The children are then taken to the pavilion stand to watch the match.

To book on the tea-time club, Tel:- 704275 before 1.00pm on the day.

PAPER TALK

by Brian Ellis
Sports Editor
The Lancashire Evening Post

When you watch football regularly, it's funny how little things start to annoy you. And the more you see them, the more they get on your wick.

Things like picky referees holding up play just to move a free kick back a foot. Things like offside a yard over the half-way line. Things like cheating players booting the ball into touch and claiming the throw. And things like blatant obstruction going completely unpunished.

Ellis is about to climb on his soapbox so turn over if you don't want to listen to his rantings.

It's a disgrace. Yes, an absolute disgrace. And it wants sorting! First off let's talk about time-wasting refs. Why, oh why are they so mind-numbingly pedantic? The game is dull enough without these Gestapo whistlers trying to kill it off altogether.

For example, what's so wrong with stealing a foot or two when your free kick is 70 yards from the opposition net? Yet the men in black adopt the "jobsworth" stand and hold up play until they've pinpointed the exact spot with a slide rule. Drives me

crackers, that one.

And why do we have to suffer this crazy offside law any longer? Why can't we move it up to a 25-metre line, or even the edge of the penalty box? That way the negative will not outweigh the positive as it so often does at present.

Cheating also gets my goat. You see it almost every time a ball goes out of play, hands shoot up from both sides, and half of them are only trying to pull a fast one on the linesman. Come on lads, be honest for a change!

And finally the infuriating law on obstruction. It's pretty clear in the rule book that you're guilty "when not playing the ball, intentionally obstructing an opponent, i.e. running between the opponent and the ball, or interposing the body so as to form an obstacle to an opponent."

But why is it then that referees steadfastly refuse to call obstruction when defenders deliberately prevent opponents getting a touch as they wait for the ball to go out of play for a goal kick or a throw?

"Shielding the ball" is how players see it. Blatant obstruction is how I see it.

How can it be fair to block an attacking player with your body from reaching the ball, while not intending to play it yourself? Sounds to me like referees bottle out because they have allowed it to go on for so long and now they fear being singled out by pulling them up for it.

Right, now I've got that little lot out of my system, let's enjoy the game. Well, let's at least try.

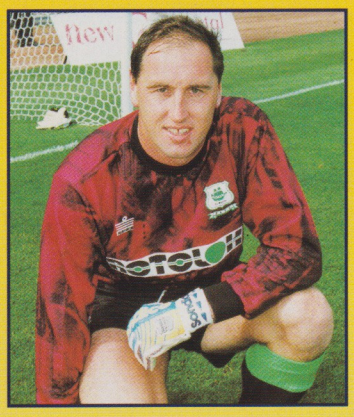
Ian Rigby writes.....

They played for both clubs

Due to the geographical locations of Preston and Gillingham it's not too surprising to learn that only a handful of footballers have played for both clubs. The one player that most of today's fans can relate to is the experienced goalkeeper Martin Hodge, who actually had two loan spells here at Deepdale, amassing 44 League appearances along the way. This is a loan period appearance record for PNE.

Born and bred in Southport, Martin was spotted whilst playing for Southport Trinity by a Plymouth Argyle scout who happened to be based locally. After successful trials he was signed on as an apprentice professional at the age of 16. Two years later he signed professional forms for the Home Park club, eventually becoming the regular first choice goalkeeper. By June 1979 he had moved nearer home, signing for Everton for a tribunal fixed fee of £135,000. During his first season at Goodison he played 30 League and Cup games, but early the following season he picked up a knee injury and found it difficult to regain his first team spot.



MARTIN HODGE
photo by kind courtesey of Plymouth Argyle F.C.

Rather than stagnate in the reserves he decided it would be beneficial for him to go out on loan and put himself in the "shop window". Martin signed for Preston on 31.12.81 and made 28 League appearances for North End who were then managed by Ex-Everton boss Gordon Lee. Other loan signings followed for Martin as he played for both Oldham Athletic and Gillingham before arriving back at Deepdale, again signed by Gordon Lee. Unfortunately for Martin he always played in a struggling Preston North End side when gates of around 4,000 or so were commonplace. Although the North End fans took to Martin it was obvious that he belonged in a higher division and that North End could not, at the time, afford the highly-rated keeper anyway. With Neville Southall arriving at Everton Martin needed first team football and in July 1983 his wish was granted as Howard Wilkinson then Sheffield Wednesday's manager, paid £50,000 for him. It proved money well spent as Martin was an ever present for the Owls for four seasons and promotion to Division One was won in his first team season at Hillsborough. He later played for Leicester City, Hartlepool United and Rochdale before Peter Shilton signed him for a second spell at Plymouth Argyle.

The game today is being sponsored by **Mellings (LWS) Ltd.** to launch this new company following the acquisition of Mellings Ltd. by Lancashire Waste Services Ltd.

A tremendous honour for such young players to play against at times Premier League Reserve sides. David Lucas, Paul McKenna, Colin Potts, Kyle Hayton, Stuart Bingham have all been honoured. Paul McCrone, Shaun Taylor, Spencer Harrison have been named as Subs, hope I haven't missed anybody! - Well done lads.

Just a note about last season successful youth. Team goalkeeper Andy Banks who has been playing at Bury Football Club - The Manchester Evening News 'Pink', stated that Andy had joined Ashton United (Unibond League Division 1) on loan.

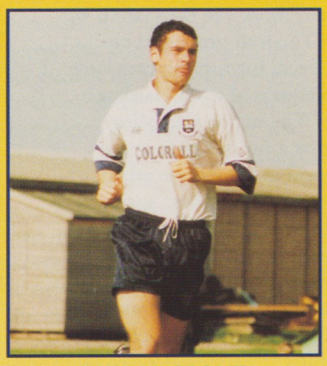
North End had 5 second year Y.T.S. players absent, Chris Borwick, Paul McMenemy, Kevin Kilbane and Damian Corcoran with various injuries and John Calligan serving a two match suspension after being sent off in the home game v Manchester City youths (25.2.95). The remaining 2nd year Gil Brooks was given the number 11 shirt. Trialist Chris Sutton from the Blackburn area was given a game in a central defensive role (Chris had been having trials with Coventry City, but it did not work out for him), North End's two substitutes, Kevin Mumberson and Brian Southworth were both schoolboys.

Marine, the only non-league club in the League put up a good show considering they only train once a week, lacking skilfull players they were enthusiastic and resolute in their attitude towards the game.

North End pushed forward from the start, gaining a 1 - 0 lead (9th min), Gareth Ainsworth's cross was met by Colin Potts whose shot hit the keeper, who in turn pushed the ball into his own net. It was a terrible morning on the Fylde coast (misty and raining), everybody was wet through, but it did not curtail the visiting vociferous supporters who were willing them on to get an equaliser - to no avail! 25 minutes



PAUL McCRONE scored twice against Stockport County

played a second for North End. This was a well deserved goal for Richard Lucas, outstanding in his play he found himself in a 1 on 1 situation with the keeper, he headed the ball down into the goalmouth, it bounced up and into the net via the cross-bar. Looking back in retrospect at the game this goal seemed to 'knock the stuffing' out of the visitors. For the rest of the game, North End were never really troubled - in fact in the period leading up to half-time it was all North End. A penalty was earned when Tony Lawler was tripped in the area (31 mins) - Paul McCrone spot kicked and was saved by the keeper. Gareth Ainsworth was rightly booked on 40mins for two offences committed. The second one for kicking the full back Keir in an incident on the far touch line brought about the yellow card.

North End brought on schoolboy Brian Southworth in place of Gil Brooks for the second half in midfield where North End continued to dominate, displaying their authority on the game with a further two goals, one for the skilfull Colin Potts (57th min), another outstanding goal to his credit and the other for Gareth Ainsworth (79th min), which Colin Potts was also involved in. The incessant rain had now stopped - thank goodness!

So what had the Marine lads to show for their 90 mins. work. A 55th min. booking for No.8 McEwan (verbal abuse) and a consolation goal, a good shot from the right hand side by Gwyther (89th min). They can also look forward to a close season tour of Belgium representing their borough of Sefton.

GARETH AINSWORTH
scores a brilliant solo goal against The League Leaders

Monday 13th March 1995.
Pontin's Central League Division Two
Preston North End Reserves 2
Ainsworth 5, Atkinson 55.
HT 1 - 1.
Birmingham City Reserves 1
Webb 10.
Att. - 1,595.

There were still plenty of fans entering the ground at kick-off time on a pleasant mild evening ideal for football as League leaders Birmingham City Reserves breezed into Deepdale. Allan Smart partnered Matt Carmichael up front for North End, who also welcomed back Jamie Squires from his loan spell at Stafford Rangers. He took up a position at the heart of the defence.

Birmingham included Andy Saville the striker Gary Peters has been chasing, along with stars Paul Moulden and Danny Wallace.

There was another good family atmosphere and the first goal soon came along, Gareth Ainsworth collected a ball just inside the visitors half before completely outpacing the Brummie defence leaving a trail of defenders behind as he powered his way straight down the middle. Pushing the ball forward in the area he evaded all tackles and clipped the ball into the bottom corner past Price's outstretched hand, a great solo goal and more like the Gareth we know. The lead proved to be short lived, for five minutes later Webb equalised from Harding's centre. The match was being played at a furious pace and it was good to see Ainsworth at something like his best again. Richardson did well saving a Harding shot and at the other end Smart got in a good shot which Price saved as the match produced some exciting end to end stuff.

After the break Preston began on the attack Richard Lucas had a snap-shot just off target, a clumsy challenge from Scott resulted with Ainsworth receiving a nasty knock in the face. Birmingham were still dangerous and all was to play for, North End grabbed the lead Lucas put Atkinson in possession he took the ball round the keeper and from a very acute angle on the bye-line he steered it home. Birmingham pulled off the ineffective Danny Wallace and on came Lee Hughes, he was soon to incur the wrath of the home fans being involved in a block tackle with Ainsworth he appeared to stamp on the luckless Preston wideman who was really in the wars again and had to leave the field, (luckily his injuries were not as bad as first thought), he was replaced by young Colin Potts.

Preston ran this second half with some superb passing football and dished up the best show of the season which was again appreciated by a big crowd, they could have added to their score, Sulley dipped a shot over, Lucas was narrowly wide and Potts forced the keeper to save. Andy Saville had a quiet game, Preston fully deserving the three points, boss Gary Peters heaped praise on his players after the game saying the passing had been out of this world.

Preston North End Reserves:- Richardson, Fleming, Sulley, Whalley (Capt), Squires, Lucas (R), Ainsworth, Raynor, Smart, Atkinson. Subs - Potts for Ainsworth (57 mins), McKenna, Lucas (D) (GK).

Birmingham City Reserves:- Price, Bass, Scott, Rea, Challinor, Harding (Capt), Webb, Moulden, Saville, Round, Wallace. Subs - Wratten for Round (80 mins), Hughes for Wallace (55 mins).

GRAHAM SHAW
on the mark at Turf Moor

Pontin's Central League Division Two.
Burnley Reserves 2
Bannister 44, Weller 78.
Preston North End Reserves 1
Shaw 24.
HT 1 - 1 Att. 467

It was a makeshift Preston side that faced Burnley in this rescheduled match at Turf Moor, they included six Y.T.S. players in the squad alongside ex-striker Graham Shaw, Paul McKenna getting his first Pontin's League start and a new experience also for Paul McCrone the second half substitute.

North End took the lead against the run of play, Shaw lobbing the keeper from 22 yards, the 'Clarets' deservedly equalised prior to half-time when Bannister headed over the advancing David

Lucas from a McMinn centre. Preston created very little in the second period and Burnley got their just rewards when Weller headed in after being set up by Chris Brass.

Burnley Reserves:-
Russell, Taylor (M), Brass, Harrison (G), Pender, Davies, Weller, McMinn, Bannister, Peel, Smith. Subs - Livingstone for Smith (83 mins), Eastwood, Oakes (GK).
Preston North End Reserves:-
Lucas (D), Sulley, Lucas (R), Whalley, Kilbane (F), Squires, McKenna, Emerson, Raynor, Shaw, Potts. Subs - McCrone for McKenna (45 mins), Taylor (S), Harrison (S) (GK).

Middlesborough Reserves 4

HT 3 - 3. Att. 1,076.

Both sides contributed to a real thriller, a high scoring action packed game the teams sharing

GRAEME ATKINSON
Goalscorer and goal provider against Middlesbrough

six first half goals, first blood went to North End, Calligan floated over a perfect ball for Atkinson to nod home on the goal-line, a short lived lead, Moreno's ball down the middle found Hignett who levelled with a shot into the bottom corner. North End were ahead again in next to no time. Atkinson cut in gracefully from the left and fired across the face of goal into the far corner, the applause for the goal had hardly died when Sulley had the misfortune to turn one into his own net, then Kavanagh swept home a right wing cross to give 'Boro' the lead, that was four goals in seven minutes. Keeper Steven Pears saved a ferocious Neil Whalley shot at the expense of a corner, Atkinson whipped over the flag kick for Richard Lucas to head the third equaliser, all these goals and plenty more near squeaks at both ends.

Middlesborough began again with all guns blazing putting pressure on North End but it was the home side that gained the lead again an Atkinson corner was cleared only to Cartwright standing on the 'D' the blond midfielder hit a fine volley for the fourth goal. 'Tiny' Calligan having a fine game picked up a loose ball off a defender and he made no mistake to make it 5 - 3. 'Boro' came roaring back and Kavanagh from outside the area found the bottom corner 5 - 4, controversy arose when the visitors claimed Wilkinson's effort had crossed the line when Richardson made the save, but the referee was having none of it, there was some sustained Middlesborough pressure and Calligan was back to clear off his own line, but the points stayed at Deepdale. Atkinson, Cartwright and Smart (despite not getting on the scoresheet), turned in outstanding performances on another exciting night for the fans.

** It was the first time Kyle Hayton had started a Central League game.*

Preston North End Reserves:-
Richardson, Fleming, Sulley, Whalley, Hayton, Lucas (R), Atkinson, Cartwright, Smart, Calligan, Kilbane (K). Subs - Potts for Kilbane (K) (72 mins), Corcoran for Hayton (61 mins), Lucas (D) (GK).
Middlesborough Reserves:-
Pears, Blackmore, Byrne, White, Taylor, O'Halloran, Wright, Kavanagh, Moreno, Wilkinson, Hignett. Subs - Freestone for Kavanagh (62 mins), Cosgrove, Naisbett (GK).

NEXT AT DEEPDALE

Saturday 15th April 1995. The Endsleigh League Division Three.
Preston North End v Wigan Athletic. Kick-Off 3.00pm.
Since the appointment of former Chester City manager Graham Barrow, Athletic haven't looked back. Despite the handicap of having several home fixtures postponed due to the state of the Springfield Park pitch, Wigan have become a difficult side to beat. Without any surplus amount of cash available, Graham has to find players on the free transfer market, but this has all changed due to the club having new owners. Dave Whelan of J.J.B. Sports recently purchased the club and immediately handed over money for the club to enter the transfer market. Former Preston trialist Tony Black was signed from Bambers Bridge in a package linked to appearances of £17,500. Today Wigan entertain Lincoln City.

FANSCENE I.S.A.

PRESTON NEOSC

Welcome to another vital game in the promotion run in. Again our support will be vital so let's be sure to get behind 'The Whites'.
Next Saturday sees the first of our final three away games and once again we will be limited by ticket restrictions.
PNEISA will continue to push for as many tickets as possible at all three games. We will sell ours, whereas Scarborough, Rochdale and Scunthorpe will not. Why have empty terraces and seats and disappoint supporters.
Thanks - to all those who supported the ISA 'meet the players and staff' night at St Anthony Club last Saturday. A full house of 200, plus Gary Peters, Derek Shaw, Ben Casey and 22 players! A magnificent turn out. Special thanks to Linda Fishwick and her army of helpers in organising the event and to the band 'Magil Tree' and most of all you the supporters, for supporting us to support North End.
Thanks - to everyone who joined in the Town Ends 2nd Anniversary Celebration v Bury. Ian McIvor deserves special praise once again. This man, 'The Pink Panther,' shows enthusiasm and commitment above and beyond the call of duty. He has often, single handedly put hundreds onto attendances and works tirelessly to create a positive atmosphere at Deepdale. The publicity he alone gained for North End's last match at home with drums, trumpets, flags, ticka tape, Balloons and Fancy Dress should perhaps serve as a lesson to staff at the club on just how matches can be promoted.
Thanks - Yes thanks to our very own Preston Borough Council. At last the 125 year lease has been sold to North End. Unfortunately we couldn't get it for free, despite providing a real facility for the Town and replacing a crumbling eyesore.
It should be all systems go from here on in.
Thanks - to you the supporters.
The turn outs home and away remain the envy of the division. The turn out at Exeter was described by locals as 'unbelievable' and at Lincoln as big, noisy and fanatical.
Even our reserve crowds remain high and Monday at 7.00pm sees the visit of those high flying Clarets, Burnley, again let's turn out in numbers.
And Finally - The next full meeting of **PNEISA** will be at London Road Labour Club at 7.00pm on **Tuesday 6th April 1995.** With guests from North End. It will also be the night to hand in all votes for the ISA Player of The Year and the equally prestigious PNEISA Personality of The Year. Please support **PNEISA** and help us support, our team.
Come on you Whites!
